This training will address retail tobacco compliance checks through the Tobacco Enforcement Program (TEP). At the completion of this training, officers will be certified by the State of Illinois to supervise compliance check operations within their community as required by state law and the Illinois Law Enforcement Training and Standards Board.

Participants will learn:

- Overview of National and State Tobacco Statistics.
- What constitutes a “compliance check”.
- The benefits of a robust “compliance check” program.
- The legal foundation that allows compliance checks to be conducted.
- Step-by-step information for conducting compliance checks.
- State standards for conducting compliance checks and examples of model policies to ensure consistency in performance.
- Licensing Requirements.
- The details of the Illinois State Tobacco Law.
- What is prohibited.
- Penalties.

This course has been designed to comply with the training requirements set forth in the Model Policies and Guidelines for Alcohol and Tobacco Compliance Checks by Law Enforcement Officers.
