Mobile Team Unit 15

## Training Announcement

Name of Training			Class ID#	Course ID#
Emergency & Evasive Vehicle Operators Course			91141	54911
Date(s) of Training	Time	Hours	Location	
September 10, 2018	8:30 am – 4:30 pm	8	SIU Campus 1435 Douglas Drive Carbondale, IL	
Course Description				
<p>This training will begin with a classroom presentation emphasizing the potential dangers of pursuit, and other emergency vehicle response situations. Following the classroom portion, this course is entirely hands-on, behind-the-wheel, on a state-of-the-art Emergency &amp; Evasive Vehicle Operator driving track, including a skid-pad and features for off-road recovery maneuvers.</p>				
Course Objectives				
<i>Upon completion of this class students will be able to:</i>				
<b>Properly and safely perform the following:</b>				
<ul style="list-style-type: none"><li>✓ Controlled slalom and vehicle handling on the serpentine course</li><li>✓ Controlled braking</li><li>✓ Backing procedures</li><li>✓ Emergency off-road recovery</li><li>✓ Skid recovery</li><li>✓ Evasive techniques to avoid traffic crashes</li><li>✓ Good defensive driving techniques</li></ul>				
Additional Information				
Officers should bring an agency squad car to practice various low-speed maneuvers. Exercises involving high-speed recovery maneuvers will be done in vehicles provided by the SIU Safety Center.				
Instructor				
Safety & Health Specialist <b>Dan Shannon</b> will be the lead instructor for this class. Dan is the creator and founder of the Emergency & Evasive Vehicle Operators Course (EEVOC) at Southern Illinois University. Dan has over 36 years of experience in teaching this class. Dan will be assisted by staff instructors from the SIU EEVOC program.
