### Course Description

This course provides the basic operational theory and practical training to instruct users to reasonably safely and effectively operate TASER CEWs. This course covers the TASER X26P and X2 CEWs, and will certify those who successfully complete the course as TASER basic instructors for a period of 2 years from the date of certification. This course is open to sworn law enforcement officers, military personnel, and licensed professional security employees.

Several knowledge assessments will be completed online as well as written tests during the practical day. The course also includes several drills and exercises requiring physical exertion. Students should be in good physical condition and must advise the Master Instructor of any preexisting injuries or physical limitations.

Part 1 of the courses is completed online. Part 2 consists of practical training and final certification.

Online Start Date: Thursday, September 06, 2018 at 12:00 AM CDT

**Online Completion Required by Date: Monday, September 24, 2018 at 08:00 AM CDT**

**\*\* NO EXCEPTIONS will be made once online course has closed \*\***
