

COURTROOM SURVIVAL TECHNIQUES

This course will teach officers the do's and don'ts of testifying. They will learn the courtroom process and procedures. In addition, they will learn how and why a personal connection must be made with the judge/jury and how to identify and protect their personal credibility. This course will include a practical session to allow the class participants the opportunity to engage in mock testimony.

TOPICS COVERED:

- Connecting with the Judge & Jury
- Expert Testimony Qualifications
- Defense Attorney Traps
- Reducing the Anxiety of Testifying
- Nonverbal Communications
- Articulation of Responses
- Limitations of Testifying
- Prosecutor Expectations
- Courtroom Ethics
